

Request for Waiver of Participation

Unity and Diversity; Religious or other opt-out policy

It is vital to our mission and to our community that we are unified in purpose. We recognize the strength we have in our different cultures, nationalities and religious faiths and we honor the diversity of our students and families. Our strength and unity is built as we honor and embrace our diversity while focusing on our shared mission of academic excellence and character development for each student. Parents should exercise their ability to opt-out their student of any activity they determine is in conflict with their religious or cultural tenets. Parents can exercise this opt-out by requesting a waiver of participation form through the front office. Administration will review the request to allow families to ensure that their religious freedoms or exercise of rights of conscience are not infringed upon.
